问题 Problem

我们发现25-35岁的年轻人处于一个尴尬的年龄阶段

他们骨子里玩心未泯,但是人们认为这群人要具备应有的成熟稳重

这让他们想玩而不敢玩!

We find that people in 25-35 are at awkward ages. In their heart of hearts, they still be willing to play, but people think that these people should be mature enough. This makes them want to play and not dare to play.
